

About Us

Tellico Village Property owners and their guests are welcome and encouraged to utilize everything our recreation facilities have to offer. Six and 12 month memberships are available to all property owners or daily user fees and guest passes can be purchased instead. Members should remember to bring their check-in card with them at each visit and check in at the front desk. If you don't have a check-in card, then one of our friendly staff members can take care of you.

Daily use and rental lockers are available and locks can be checked out at the Wellness Center or Chota front desk. Standard headphones or ear buds are necessary to utilize the Cardio Theater system in the exercise room. Feel free to inquire about our many services, such as personal training, massage therapy, orientation classes or swim lessons. Most fitness classes run continuously throughout the year and can be joined at any time. Come see us for all the details.

Memberships and daily user fees are all-inclusive and grant you access to all areas of each of our recreation facilities, with the exception of the specialty programs. Adult daily user fees apply to anyone ages 16 and up. Children's rates apply to anyone ages 4-15. There is no charge to children under 4. We do request that any child under the age of 16 be accompanied by a responsible adult (21 years or older) in all areas of any facility at all times.
